

McKesson Healthcare CIO Boot Camp Women's Scholarship

Who is eligible to apply? CHIME members or their direct reports who are female.

Award: Full tuition to attend either the Spring or Fall session of the CHIME Healthcare CIO Boot Camp (see rules below for more specifics)

Application Details

The McKesson Healthcare CIO Boot Camp Women's Scholarship is awarded in the amount of the full tuition fee for attendance at one of CHIME's Healthcare CIO Boot Camps. Two scholarships are awarded annually: one for the Spring Boot Camp session and one for the Fall Boot Camp session. Scholarships must be used for the session (Spring or Fall) for which the candidate applied.

Applicant criteria

- Must report to or be a current CHIME member at the time the application is submitted and at the time applicant will attend the Boot Camp (if awarded a scholarship).
- Must be on a career path with the goal of becoming a successful CIO in the industry.
- Applicants must be female.

Application materials required

1. Essay: Scholarship candidates must demonstrate their interest by submitting a type-written essay no longer than 1000 words.

Part A: This portion of the essay should address the candidate's vision and goals as a future healthcare IT leader and how they have demonstrated leadership in their organization.

Part B: This section should address how the scholarship and attendance at the Boot Camp will enhance the candidate's ability to improve their healthcare IT leadership skills and enhance their current position as a CIO. The candidate should also address any challenges she faces as a woman in the healthcare IT business. Additionally, in this section of the essay, if the candidate's organization has limited resources for funding staff development, please include an explanation of those issues and how the scholarship could assist in achieving staff development goals.

2. Letter of recommendation: Candidates must submit a letter or recommendation from their immediate supervisor. If the candidate is not a CIO, the letter must come from the CHIME member to whom they

Information Management Executives

report. If the candidate is a current CHIME member, the letter must come from the person to whom they report to.

The letter should support the applicant's attendance at Boot Camp and explain why their participation would be beneficial to the candidate and their organization. The letter should also support attendance at the Boot Camp session is important to the candidate's professional development, either as a current CIO or CIO in the making. Any issues related to financial needs should also be explained.

3. Resume: Scholarship candidates should provide a current resume highlighting their experience and/or achievements in the healthcare IT field.
